## Life Group Questions:

1. How would you describe your spiritual birth as a follower of Jesus Christ? Were there people who shared their lives with you to lead you to faith in Jesus Christ?
2. Do you recall how and when your Life Group started?

Read John 15:1-8

3. Does your Life Group have “an attitude of reproduction”?
4. What would “giving birth” to a new group cost your group? What sacrifices might you have to make to reproduce? Are you personally willing to be a part of giving birth to something new?
5. What attitudes do you think will start to develop if you do not reproduce?
6. Is your group aware of how Mountainview is giving birth to new churches and ministries in places like Peru, Ukraine, Georgia, and “The Square Mile”?

Prayer Time:

Pray that God will bless Mountainview with a passion to grow and reproduce.

Pray that God will help us be willing to sacrifice for “the next generation”.

Pray specifically for people you know that need Christ.
